Every new academic year marks a fresh beginning—an opportunity to set new goals, embrace challenges, and strive for excellence. It is a time to reflect on past achievements, learn from experiences, and step forward with renewed enthusiasm and determination.

We envisage individualized learning acumen and seek to explore the potential of students in acquiring substantial acknowledgement and skills through academic rigors. The school almanac is more than just a record-keeping tool; it is an essential bridge between the school, students, and parents. It serves as a guide, mirrors the key policies, rules, and academic schedules to be conducted in the new session 2025-26, while reinforcing discipline, communication, and overall development. It is a window to a plethora of activities aligned to different arenas of learning.

As we step into another promising academic year, let's join hands in this shared pursuit of knowledge, character-building, and excellence.

Together, let us embark on a path of discovery, growth, and achievement, shaping a future that is both bright and boundless.

School Song (Hindi)

दिखने में हम छोटे हैं पर नहीं किसी से कम
के० आर० एम के बच्चे करते काम बड़े हरदम।

हमारी एक डगर है, हमारा नया सफ़र है
न अपनी सीमाएँ हैं न कोई पहरेदार।
पूरब, पश्चिम, उत्तर, दक्षिण, बाँटे सबको प्यार
बड़े-बड़े आए भटकाने, पर न भटके हम।
के० आर० एम के बच्चे करते.....।

लक्ष्य न ओझल होने पाए, राह बताता चल
शिक्षा का तूफान उठा दें, ठहर न तू इक पल
नए कीर्तिमानों से, ध्वज फहराए जा।

उजड़े हुए हर इक गुलशन में
फूल खिलाना है, भूले-भटके हर राही को
राह पर लाना है, नैतिकता के कर्मों से
सार्थक हो ये जन्म, के० आर० एम के...

School Song (English)

English translation of the school song.

Under the flag of KRM, our dreams begin to live
No matter how young we may look, we are ready to give
The precious gifts of the jewels we bear
Love and peace with the world we share.

The journey of life that we undertake
All hurdles we cross, all barriers we break
The goals we set, the dreams we weave
We strive to get what we want to achieve

We pledge to take forward this light of learning
May this fire of knowledge always keep burning
May God help us succeed in our endeavour!
May the name of KRM keep soaring forever!

*In the present, the future, we borrow
Marching Together Towards Tomorrow.*

Prayers

"Morning Prayer"

Our father who art in heaven,
Hallowed be Thy name,
Thy kingdom come
Thy will be done,
On earth, as it is in heaven.
Give us this day, our daily bread,
And forgive us our trespasses,
As we forgive those, who trespass against us
And lead us not into temptation,
But deliver us, from evil,
for Thine is the kingdom,
The power and the glory,
For ever and ever.... Amen....

"PRAYER BEFORE MEALS"

Thank you God
for the world so sweet.
Thank you God
for the food we eat.
Thank you God
for the birds that sing.
Thank you God
for everything.

"PRAYER AT THE END OF THE DAY"

O God ! infinite wisdom
and source of all knowledge
Bless our studies,
which we dedicate to you,
Strengthen our minds
and direct our wills
Towards what is right.

Prayers

Give me a cheerful spirit God, Inspire me to smile
that I may help a weary world along each passing mile,
I want to be an optimist and look beyond the rain
Instead of always looking for some reason to complain.

Lord, make me an instrument of thy purpose,
Where there is Hatred, let me sow Love
Where there is Injury-pardon
Where there is Doubt-Faith
Where there is Despair-Hope
Where there is Darkness-Light
Where there is Sadness-Joy
O Divine Master, grant that I may not so much seek to be
consoled as to console; to be understood, as to understand to
be loved as to love.
For it is in giving that we receive, it is in forgiveness, that we are
forgiven.

We thank you loving father, for all your tender care,
For food and clothes and shelter and all the world so fair,
We thank you loving father,
For this day now begun,
may our actions be ever pleasing,
To you and everyone.

Father we thank you, for the night,
And for the pleasant morning light,
For rest and food and loving care,
And all the makes, the world so fair,
Help us to do the things we should,
To be to others kind and good, In all we do,
in all we say, to grow more loving every day.

Father, be with me as I take this exam.
Keep my mind alert and my memory sharp.
Calm my nerves and help me concentrate.
Help me do my examination well
Sharpen my intelligence so that
I understand well the questions
Which I have learnt
Guide me to write neatly and clearly
Help me to finish my exam in time
So that I am able to revise
What I have written
Help me to overcome temptations
And do my exam honestly
With Your blessings and guidance Lord
I know I cannot fall in any endeavour
Through Jesus Christ our Lord
Amen

We thank You, Lord, for one more day,
For books and work, and walk and Play,
We thank You for games and fun,
For day light, and the golden sun
We thank You for the food we eat,
For friends and people that we meet,
For animals and trees and flowers,
And all the blessings which are ours.

God give me courage, To do what is right
Courage to speak, courage to fight
For honesty, goodness, justice and truth;
Courage to choose, the good in my youth,
Courage to own, when I'm in the wrong;
Courage to face the day, with a song,
Courage to guard my thoughts and my tongue
Courage to choose the right when I'm wrong.

मंत्र/प्रार्थना

सरस्वती वन्दना

हे शारदे माँ, हे शारदे माँ।
अज्ञानता से हमें तार दे माँ।
तू स्वर की देवी, ये संगीत तुझसे।
हर शब्द तेरा है, हर गीत तुझसे।
मन से हमारे मिटा दो अँधेरे।
हमको उजालों का संसार दे माँ।

तू श्वेत वर्णी कमल पे विराजे,
हाथों में वीणा, मुकुट सर पे साजे।
हम हैं अकेले, हम हैं अंधरे,
तेरी शरण में, हमें प्यार दे माँ।

मुनियों ने समझी, ये गुणियों ने जानी।
वेदों की भाषा, पुराणों की वाणी।
हम भी तो समझे, हम भी तो जानें।
विद्या का हमको वरदान दे माँ।
हे शारदे माँ, शारदे माँ।

तू हमारा पिता

तू हमारा पिता, हम तेरे लाडले,
हम पे रखना सदा तू, मेहर की नजर।
माँफ करना हमें, नासमझ जानकर,
हमसे हो जाए कोई, खता भी अगर।
तू -----
हम नहीं जानते, जिंदगी की डगर,
खो ना जाएँ कहीं हम, इधर से उधर।
आसमाँ पर भी तू है,
जमीं पर भी तू।
आसरे पर तेरे है, हमारा सफर।
तू -----
धर्म की पालना हो, हमारा करम,
मन में बस जाए, हो ना कोई भी भरम।
नेक राह पर चले, करें अपना करम,
मुश्किलों से रहें हम, सदा बेखबर।
तू -----

तू ही राम है

तू ही राम है, तू रहीम है।
तू करीम, कृष्ण, खुदा हुआ
तू ही वाहे गुरु, तू ईसा मसीह,
हर नाम में तू समा रहा

तेरी जात पात कुरान में, तेरी दर्श वेद पुराण में,
गुरुग्रंथ जी के बखान में, तू प्रकाश अपना दिखा रहा
तू ही राम.....

अरदास है कहीं कीरतन, कही रामधुन कही आह्वान
विधि वेद का है ये सदवचन, तेरा भक्त तुझको बुला रहा
तू ही राम.....

English Songs

Together Towards Tomorrow

We are the children of tomorrow
Coming together, being together
Building bridges, uniting nations
Dawning a new hope
Making a new whole world.

Make Me A Channel of Your Peace

- 1) Make me a channel of your peace
Where there is hatred, let me bring your love
Where there is injury, your pardon lord
And where there's doubt, true faith in you.

Chorus: O! master great that I may never seek
So much to be consoled as to console
To be understood as to understand
To be loved as to love with all to my soul.

- 2) Make me a channel of your peace
Where there is despair, let me bring in hope
Where there is darkness, lord, you, shining light
And where there's sadness every joy.
- 3) Make me a channel of your peace
It is in pardoning, that we are pardoned.
In giving to all men, that we receive
And in dying, that we're born to eternal life.

The Joy of The Lord is My Strength

- 1) I give my hands to do your work
And, sweetest Lord, I give them willingly
I give my feet to go your way
And every step I shall take cheerfully.

Chorus: O! the joy of the Lord is my strength
O! the joy of the Lord is my help,
my help for the power of the spirit is in my soul
and the joy of the Lord is my strength.

- 2) I give my eyes to see the world
and everyone in just the way you do
I give my tongue to speak your words
To spread your name and freedom giving truth.
- 3) I give my mind in every way
so that each thought I have will come from you
I give my spirit to you, O Lord!
and everyday my prayer will spring a new.
- 4) I give my heart that you may love
In me your Father and the human race
I give my self that you may grow
In me and make my life a song of praise.

People Over The World

- 1) People over the world reach out your hands,
Touch one another people over the world
Just understand and love each other.
We have one life to live, so much to give;
So much to share, there is love to be found
Just look around, there's happiness there.
- 2) People over the world, we are same
with different colours, people over the world
Love without shame like sisters and brothers.
Face each day with a smile and in a while,
while sunshine appears you feel warm deep inside
No need to hide from danger and fear.

Assessment Policy

At KRM School, our assessment policy aligns with the guidelines and 'Learning Outcomes', focusing on key competencies such as language, mathematical thinking, and design learning, in line with NEP 2020. Our developmental goals span six levels, covering prime learning areas from early childhood to schooling, including physical, socio-emotional, cognitive, and aesthetic development.

Understanding the Linkage:

Alignment and Integration:

Developmental Goals are intricately linked with foundational learning goals. Each goal specifies the competencies children will attain.

Learning Outcomes serve as evidence of acquired competencies, comprising knowledge, skills, and attitudes.

Holistic Progress Cards (HPC):

Offer a multidimensional report reflecting cognitive, affective, socio-emotional, and psychomotor domains, alongside life skills and values.

Compiled based on self, peer, teacher, and parent assessment, addressing essential aspects of growth and development.

Address questions about student uniqueness, progress feedback, communication, and teacher workload.

Key Features of HPC:

- Participatory and Inclusive approach involving teachers, parents, and students equally.
- Task-Based Assessment evaluates child ability based on defined competencies and skills.
- Self-awareness and Goal Setting foster communication of strengths, areas of improvement, and collaborative future goal-setting.
- Acts as a Pedagogical Tool facilitating continuous learning and progress tracking.
- Encourages Parent and Society Participation in student development and progress.

Implementation Considerations:

- Activity Planning involves designing relevant activities addressing multiple competencies.
- Documentation relies on pictorial evidence in portfolios showcasing student progress and work

• Parent Engagement encourages discussions on progress, strengths, areas of improvement, and goal-setting.

The Holistic Progress Card (HPC) marks a significant shift in our assessment policy towards fostering holistic development and nurturing a learner-centric environment. Our approach integrates various assessment methods to capture the diverse dimensions of a student's growth.

Our assessment policy is designed to be dynamic, student-centred, and focused on promoting continuous growth and development across all domains. It serves as a roadmap for educators, students, and parents alike, guiding us towards our shared goal of nurturing well-rounded individuals prepared to thrive in an ever-changing world.

Comprehensive Assessment: Our assessment strategy encompasses multiple domains, including cognitive, affective, socio-emotional, and psychomotor areas, as well as life and learning skills. This comprehensive approach ensures that we evaluate the whole child, not just academic performance.

Shift towards Competency-Based Assessment: Our assessment philosophy emphasizes competency-based evaluation rather than simply testing rote memorization skills. We focus on assessing higher-order skills such as critical thinking, problem-solving, creativity, and communication.

Involvement of Stakeholders: Assessment is not just the responsibility of teachers; it involves active participation from students, parents, and peers. Self-assessment, peer assessment, and parent feedback are integral components of our assessment process, providing valuable insights into student progress and areas for improvement.

Alignment with Learning Outcomes: Assessment tools and practices are aligned with predefined learning outcomes, ensuring that our assessments accurately measure what students are expected to know and be able to do.

Promotion of Metacognition: We encourage metacognitive assessment, where by students reflect on their learning processes, identify strategies for improvement, and develop a deeper understanding of their own learning styles and preferences.

Promotion of Lifelong Learning Skills: Our assessment policy aims to cultivate essential lifelong learning skills such as critical thinking, collaboration, communication, adaptability, and initiative. These skills are integral for success in the 21st-century world.

Assessment Policy

Formative Assessment: Formative Assessment represents the process of gathering, analysing, interpreting and using the evidence to improve student learning and to help students achieve their utmost potential. It is one essential component of classroom practice and needs to be integrated into the curriculum.

We, at K.R Mangalam World School, Greater Noida adopt a variety of strategies and tools for Formative Assessment: These include Monday Tests , Home Assignments, classwork, written work, research, projects, worksheets, problem solving , Oral Activities, Practical work , Group work in the form of research projects , Group discussions , Peer assessment , Field work etc.

There is continuous evaluation followed by regular feedback to learners in the form of tutorials and discussions. The Formative Assessment Strategies that are being undertaken provide a balanced view of the student.

The formative assessment will help teachers to:

- Identify and respond to students' differential needs and styles of learning.
- Support each student to achieve his/her individual potential.
- Teach students to reflect on their own learning and to analyse their personal strengths and weaknesses in a constructive manner.
- Rubrics for assessment of all subjects are framed by the respective teachers as per the assessment objectives laid by CBSE & NCERT. Each component of the rubric is assessed by awarding marks on different skills developed during the teaching- learning process. The components are as follows:-
- Observations: All students will be observed regularly with a focus on the individual, the group and the whole class, on punctuality, interest, attentiveness, student's self- reflection, self and peer assessment etc.
- Research: Students will be presented with tasks that represent challenges, risk etc .These include performance in Monday tests, recalling session, homework, reports, essay etc. Inter-disciplinary Skills: (research, thinking, communication, self-management): The focus is on the process and skill application rather than on the product.

- Learner Profile Attributes: The development of learner profile attributes during the teaching learning process will be assessed. Open-Ended questions: Students will be presented with a challenge and asked to provide an original response in class room discussions. Tests/Quizzes: These are aimed at providing a snapshot of students' specific knowledge that he/she acquires
- Portfolios and Goal Setting: Students will be expected to maintain a file consisting of records of special work produced by them during each session and reflections on what they have achieved. These would be an evidence of what they have done in class.

Summative Assessment: Summative assessment is aimed at judging levels of attainment of the learners. We conduct two Summative Assessments in a year, one in September and the other in February/ March.

Summative and formative assessments are, therefore, inherently linked and teachers use their knowledge and practices to help students improve their performance .

Progress cards are given after each Summative Assessment with extensive remarks for subject skills.

For Classes Nursery to V: The school will follow a system of Continuous and Comprehensive Evaluation .A Holistic Progress card will be prepared comprising of three sections - Unit Based Assessment, Subject specific assessment and General Reflections. Four assessments will be conducted throughout the year based on Trans disciplinary Theme, Language , Visual and Performing Arts, Numeracy, Physical Education and individual reflections.

The skills tested will be Social Skills, Life Skills, Literacy Skills, Self-Management and Discipline focus. The Competencies mapped will be Critical Thinking/ Problem Solving, Oral Communications, Team work and Collaboration, Character Building and Citizenship. The Holistic Progress card will be shared with the parents after every assessment.

As a parent, you are required to monitor the usage of internet by your ward so that he/ she does not misuse the internet access. It is advisable to route your child's E-mail through your account and share their password. Also, keep the computer in a central family location, not in the child's room. The usage of computer should be a family activity.
21. Parents are requested to sign the reports, test papers, teacher's remarks in the note books and school almanac and other similar documents so that they may keep in close touch with the progress of their child. 23. Please do not send your child to school if he/she is feeling unwell. A proper leave application must be submitted in writing by the parents to the Principal in case of absence. This should be supported by a medical certificate in case of sick leave for more than three consecutive days.
24. Criticism of a teacher of the school in the presence of a child must be scrupulously avoided as it causes students to lose respect for their teacher with the consequent failure to learn from her; thus retarding the child's progress.
25. If you would like to celebrate the birthday of your ward, you are requested to send only toffees/eclairs to be distributed as a gesture in the class. It would be a good gesture to contribute one book to the school library on your child's birthday. Parents are requested to send the child in the school uniform.
