**Dear Parents,  
Greetings!**

The class teachers will share the MS Teams links for online sessions.

### **School Timings:**

The online classes will follow the regular winter schedule, starting at 8:50 AM and concluding by 2.50 PM, with each session ending 5 minutes early to facilitate smooth transitions between classes.

### **Important Notes:**

1. Students are expected to follow all protocols and etiquette for online learning.
2. Attendance will be taken for all sessions. Students who are absent or have their cameras switched off will be marked as absent.
3. For any queries, please contact your ward's grade teacher.
