Subject: Commencement of Physical Classes for Grades 9 -12

Dear Parents,

Greetings!

This is to inform you that the school will reopen on Thursday, 9th January 2025, and classes for Grades 9 to 12 will commence in physical mode.

As this is a critical time for students preparing for CBSE Board Exams and internal assessments, attending classes is mandatory. Parents are requested to ensure that their child is well-prepared and attends regularly. Please note that any absenteeism may result in necessary action.

We appreciate your cooperation in supporting the academic progress of our students.
